

Los Alamos
NATIONAL LABORATORY
Memorandum
Office of the Director

To/MS: Laboratory Leaders
From/MS: John C. Browne, A100
Phone/Fax: 7-5101/7-2997
Symbol: DIR-00-068
Date: March 17, 2000

Subject: Laboratory Principal Contacts List

In order to provide appropriate coordination of Lab issues and priorities with the Department of Energy, I am directing with this memo that all interactions between Laboratory staff or managers with the following DOE officials be discussed with the assigned Laboratory Leader listed below prior to the interaction. All interaction with the Executive Offices of the President, Congress, or the State Legislature must be coordinated through the Government Relations Office (Karl Braithwaite).

DOE Official

S Secretary of Energy (Richardson)
DS Deputy Secretary (Glauthier)
US Under Secretary (Moniz)
